## Bus Zones

Parents and Guardians, there is no soft way to say this - **some of you are putting your children at risk!**

We have so many of you that are respectful around bus safety - **THANK YOU!!**

However there are SO many other **NOT...** you are parking where busses need to park, driving past busses when they are picking up and/or dropping off children, parking in no stopping zones and making U-Turns in the middle of the streets!

Please stop this... be patient while bus drivers are doing thier job trying to keep your children safe from the traffic some of YOU you are creating!
