

Oct 24th, 2023 SAC Agenda

Fairview Heights Elementary School

SACs are an integral part of Nova Scotia's public schools. They provide parents/guardians, school staff, community members, and, when appropriate, students, with a voice to influence decisions that impact student learning.

SACs are active participants in the school improvement planning process, also known as the Student Success Planning process. The provincial school improvement planning process ensures SACs have a role in the ongoing efforts of schools to improve student achievement and well-being.

Fairview Heights Student Success Plan:

- 1. We will improve achievement in literacy for each of our students, with a specific focus on our students of African and/or Mi'kmaw/Indigenous ancestry.**
- 2. We will improve achievement in mathematics for each of our students, with a specific focus on our students of African and/or Mi'kmaw/Indigenous ancestry.**
