Message to Fairview Heights Families:

Thank you to families for signing up for parent-teacher conferences on April 4th! We look forward to seeing you and sharing your child(ren)'s progress. We are excited to support your child's learning and well-being in partnership with you in Term 3! Please reach out to your child(ren)'s teachers with any questions.

Please remember to send your child to school with a refillable water bottle & dressed for the weather!

Please note that our Spring Fair community event will take place on Saturday, June 8th from 11am-2pm and we need parent and staff volunteers to help make it a success. We will have an organization meeting on April 16th at 5:30 at 210 Coronation Ave (main building, 1st floor staff room). Please check our school Facebook Page for more information on how to help! All welcome!

Preparing for the Solar Eclipse

The Department of Education and Early Childhood Development is pleased to provide all students in Nova Scotia with eclipse glasses to view the upcoming solar eclipse safely.

A solar eclipse occurs when the moon passes between the Earth and the sun, obscuring the view of the sun from a section of the Earth. This event is extremely rare, with the next solar eclipse not occurring in the province until 2079. Nova Scotia will be just outside of the zone of totality for the solar eclipse; for this reason, it is important that individuals have appropriate protection to view this historic event. **The solar eclipse will begin at 3:27 p.m., reaching maximum coverage at 4:38 p.m., and ending at 5:44 p.m.**

Education Week 2024

Nova Scotia's annual Education Week will take place from April 14-20, 2024.

This year's theme is **Connections to Community** and recognizes the work of teachers, student support staff, administrators and Early Childhood Educators who take deliberate effort to enhance and empower their larger school communities, including families and the community at large.

We'd like to take this opportunity to thank our staff for the impact they have on our students and the outstanding work they do in our school every day!

Happy Education Week to our hard-working staff! We appreciate everything you do for our students!
